JUSTICE DESIGN GROUP

# EVOLV

The latest trends and distinctive styles from the brand you trust.

Introducing EVOLV

A curated collection of today's hottest trends with the timeless style you've come to expect from Justice Design Group.

Witness our lighting evolution  
and see why we are  
The Perfect Lighting Choice™

## ICON REFERENCE

	Fixture is ADA compliant; Projection from wall is 4" or less.
	Integrated LED fixture
	Fixture comes with 6' of chain & 10' of electrical cord
	Fixture comes with (3) 12" stems, (1) 6" stem and hang-straight
	Fixture has sloped ceiling kit option available
	Fixture requires supplemental support independent of the J-box
	Fixture is UL or ETL rated for outdoor wet location use
	Bulbs are included with fixture
	Fixture is manufactured in USA
	120V-277V Input Fixture
	Fixture is part of our 2021 new product introduction

## LAMPING NOTES

- All fixtures are UL or ETL listed for damp locations unless otherwise noted
- The wattage listed for each fixture is the maximum safe capacity
- All integrated LEDs are dimmable with Incan/Triac/ELV dimmers unless otherwise noted
- Lamps are not included unless otherwise noted
- Clear lamps are recommended for SEED shades

### Want LED?

While standard LED items are marked with the  icon, a dedicated LED lamping option is available for almost every fixture in our line.

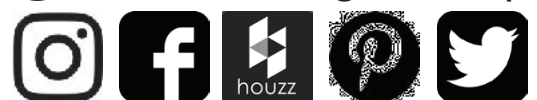

To find additional lamping options, please reference [www.JDG.com](http://www.JDG.com) or the latest price list.

Prefer human contact? Give us a call at (213) 437-0102 and a customer service representative will assist you with additional information.
