	CER - 1005 - BIS Ceramic Shape Finish		CER - 6205 - ANTC - BKCD Ceramic Shape Finish Cord Color
	CER - 9015 - PATR - SUNB Ceramic Shape Finish Cutout		CER - 7020 - WHT - FALA - BRSS Ceramic Shape Finish Shade Finish Metal Finish

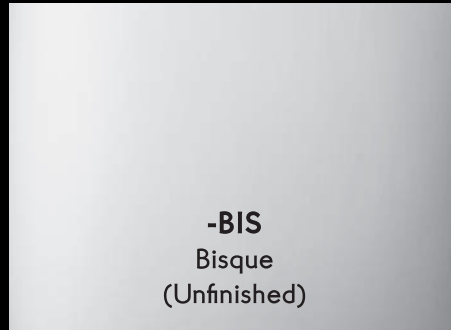

For additional help building a part number, please contact a salesperson.

FINISH OPTIONS

BISQUE

Unfinished ceramic surface.

If you plan to paint your fixture yourself, this is for you. Easy-to-follow finishing instructions are included with every fixture.

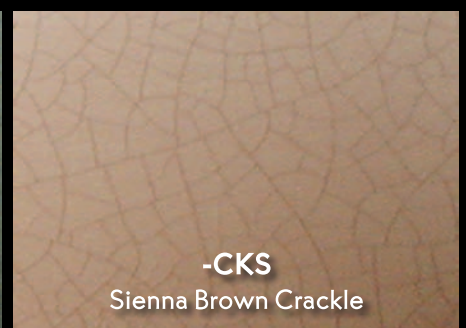

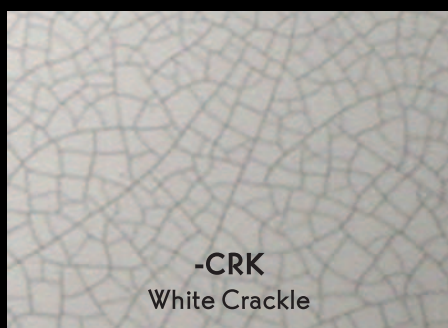

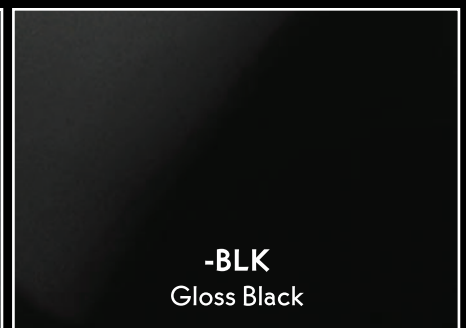

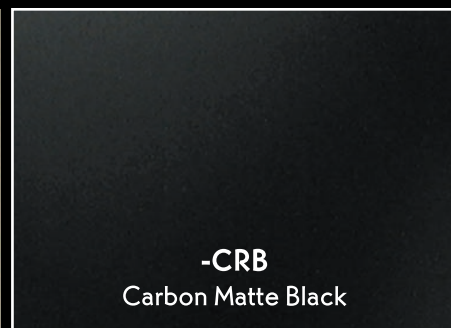

BISQUE Tuscan Garden™ Only

Unfinished highly-textured ceramic surface. If you plan to paint your Tuscan Garden fixture yourself, this is for you. Easy-to-follow finishing instructions are included with every fixture.

GROUP 1 GLAZES

These glass-like finishes are kiln-fired directly onto the surface, providing a uniquely ceramic look. The durability, depth, and purity of glaze cannot be duplicated by any other means.

FINISH OPTIONS

GROUP 2 SMOOTH FAUX

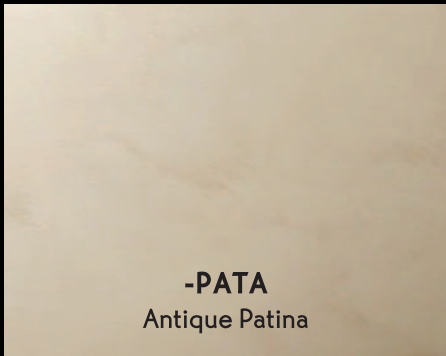

Using multiple layers of paint and other special finishing techniques, our artisans create the look of marble, rich metal patinas, and other beautiful materials.
